At Mobility Direct Ni, we supply scooters, wheelchairs, and daily living aids to help make everyday life more accessible for you. We offer our customers products ranging from Walking Aids to Scooters and Powered Wheelchairs.

Whether you are considering getting a scooter or wheelchair on the Motability Scheme or buying privately, we offer expert, impartial advice on the best options available to you. We have a wide range of stock, including new scooters, powered wheelchairs and daily living aids, as well as approved used and ex-demonstration scooters and powered wheelchairs.

We offer a free, no obligation assessment, demonstration and test drive, meaning that you will not find a better service. If you have a mobility issue but are not sure how to solve it, give us a call and let our 25 years experience in specialised solutions help you to make the best choice for your mobility.

**Use your mobility allowance**

**3 year leases for scooters or powered wheelchairs**

**From £19 per week**

**Batteries, tyres and breakdown assistance all included**

**Motability Scheme**
